Sandra Cirrincione  
Generation Electrical/Solvay Electric  
511 Charles Ave.  
Solvay, NY 13209

Dear Sandra Cirrincione,

Please be advised that the City of Albany Minority & Women's Business Office has determined that the firm Generation Electrical/Solvay Electric meets the eligibility requirements for and will be certified as an MBE, pursuant to the City of Albany Minority and Women-Owned Business Enterprise Ordinance.

Your business listing will reflect the following principal products and/or services:

**Construction: General Residential/Rehab  
Electrical  
Electrical supplies distributor  
Supplies/Equipment**

This Certification remains in effect for a period of three years. Any changes in your company that affect ownership, managerial and/or operational control, must be reported to this Office within thirty (30) days of such changes, i.e., changes to company name, business address, telephone numbers and principal products and/or services.

Certification status does not guarantee your company's ability to perform on contracts. Additionally, it does not imply that your company will receive City of Albany contract awards. Certification does, however, offer an additional opportunity to participate on City projects and various other contracts awarded by the City.

If your certification is questioned by any public or private entity, please direct the inquiry to this office for clarification.

Thank you for your participation in the City of Albany's Minority and Women Business Enterprise program.

Sincerely,

*Andrea Leanza*
